

Mayor JMC meets Lt Governor

Jammu, December 28: Sh. Chander Mohan Gupta, Mayor, Jammu Municipal Corporation, met the Lieutenant Governor, Girish Chandra Murmu at the Raj Bhavan here today.

Sh. Gupta apprised the Lt Governor about the functioning and the steps initiated for efficient delivery of public services by the JMC, issues pertaining to effective Solid Waste Management and installation of street lights.

While briefing about the progress achieved on the action plan to make Jammu clean and beautiful, the Mayor informed the Lt Governor that as on date, the EESL has installed 2500 street lights in Jammu City under National Street Light Programme. For installation of High Mast Lights, around 500 spots have been identified and procurement process for additional machinery required for collection and transportation of solid waste has been initiated after proper gap analysis, he added.

The Lt Governor emphasized the high importance for ensuring round the clock provision of basic civic amenities to the people and laid stress on ensuring planned constructions in the city.
